TALON

Rebecca Tayloe

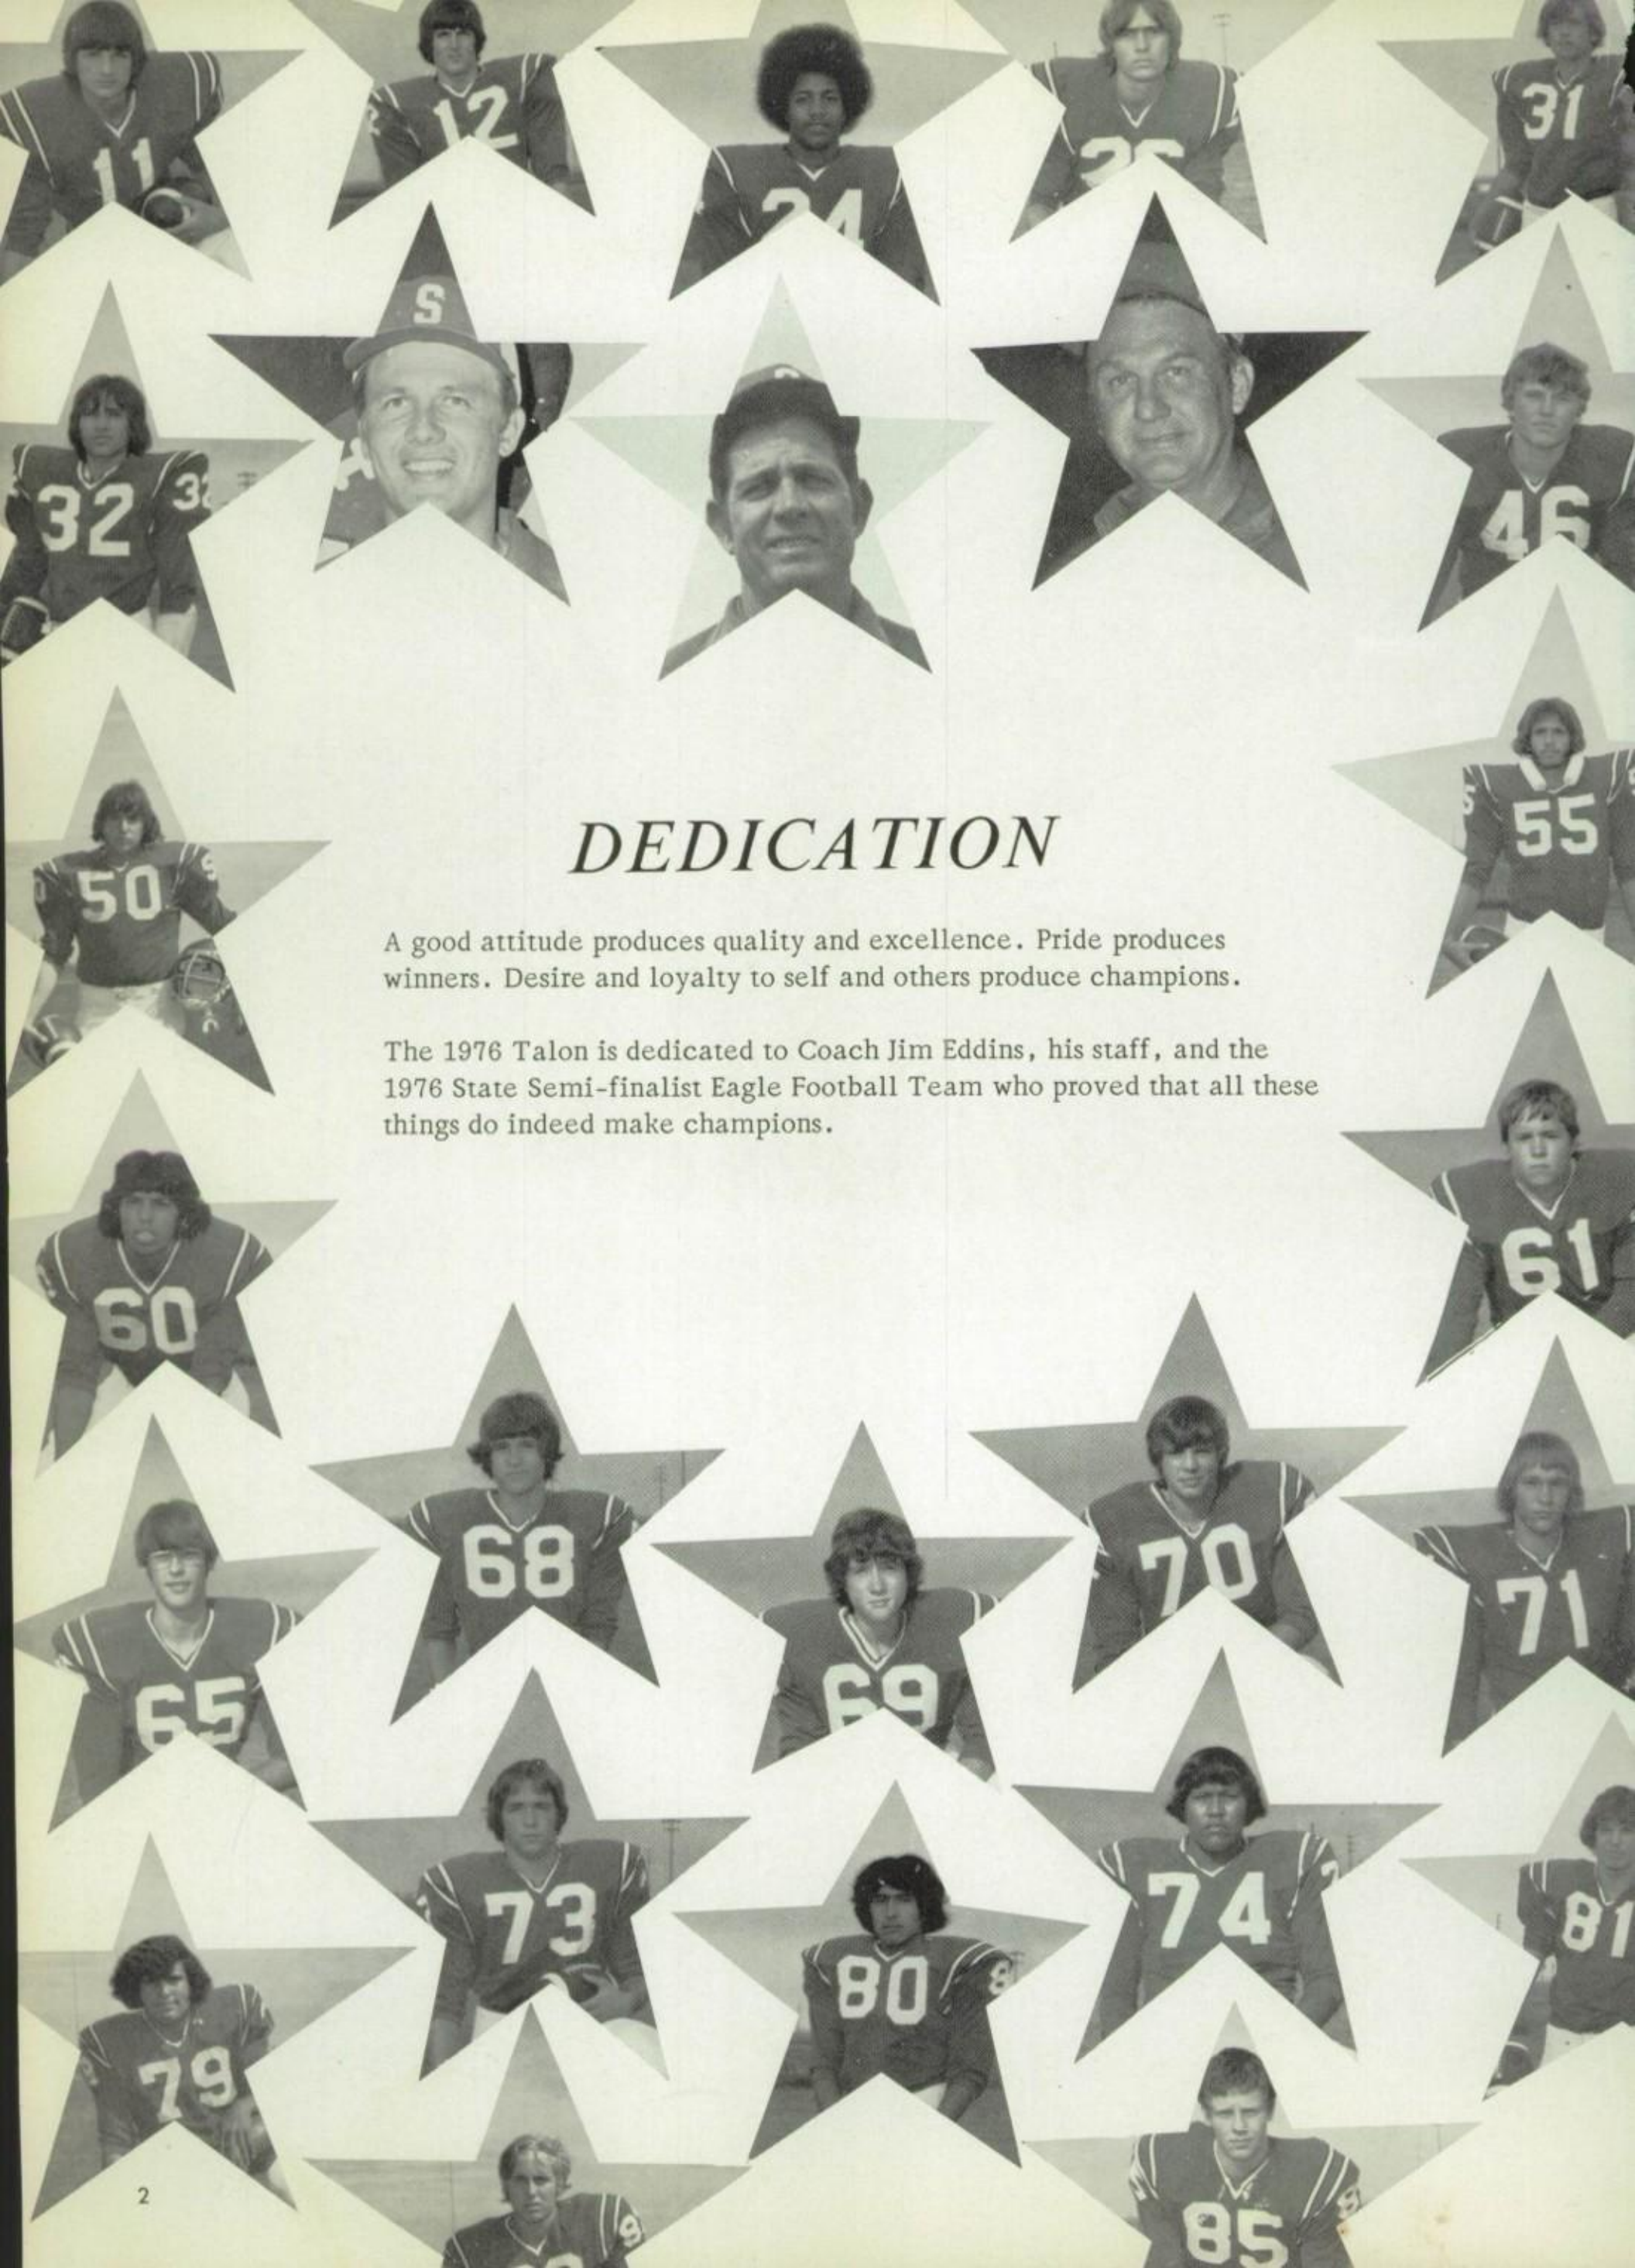

Foreword

The life of a school is reflected in the attitude and accomplishments of its students. Academic awards - athletic honors - band and choir successes - club activities - and individual rewards: all these make a school what it is and give it something to cheer about.

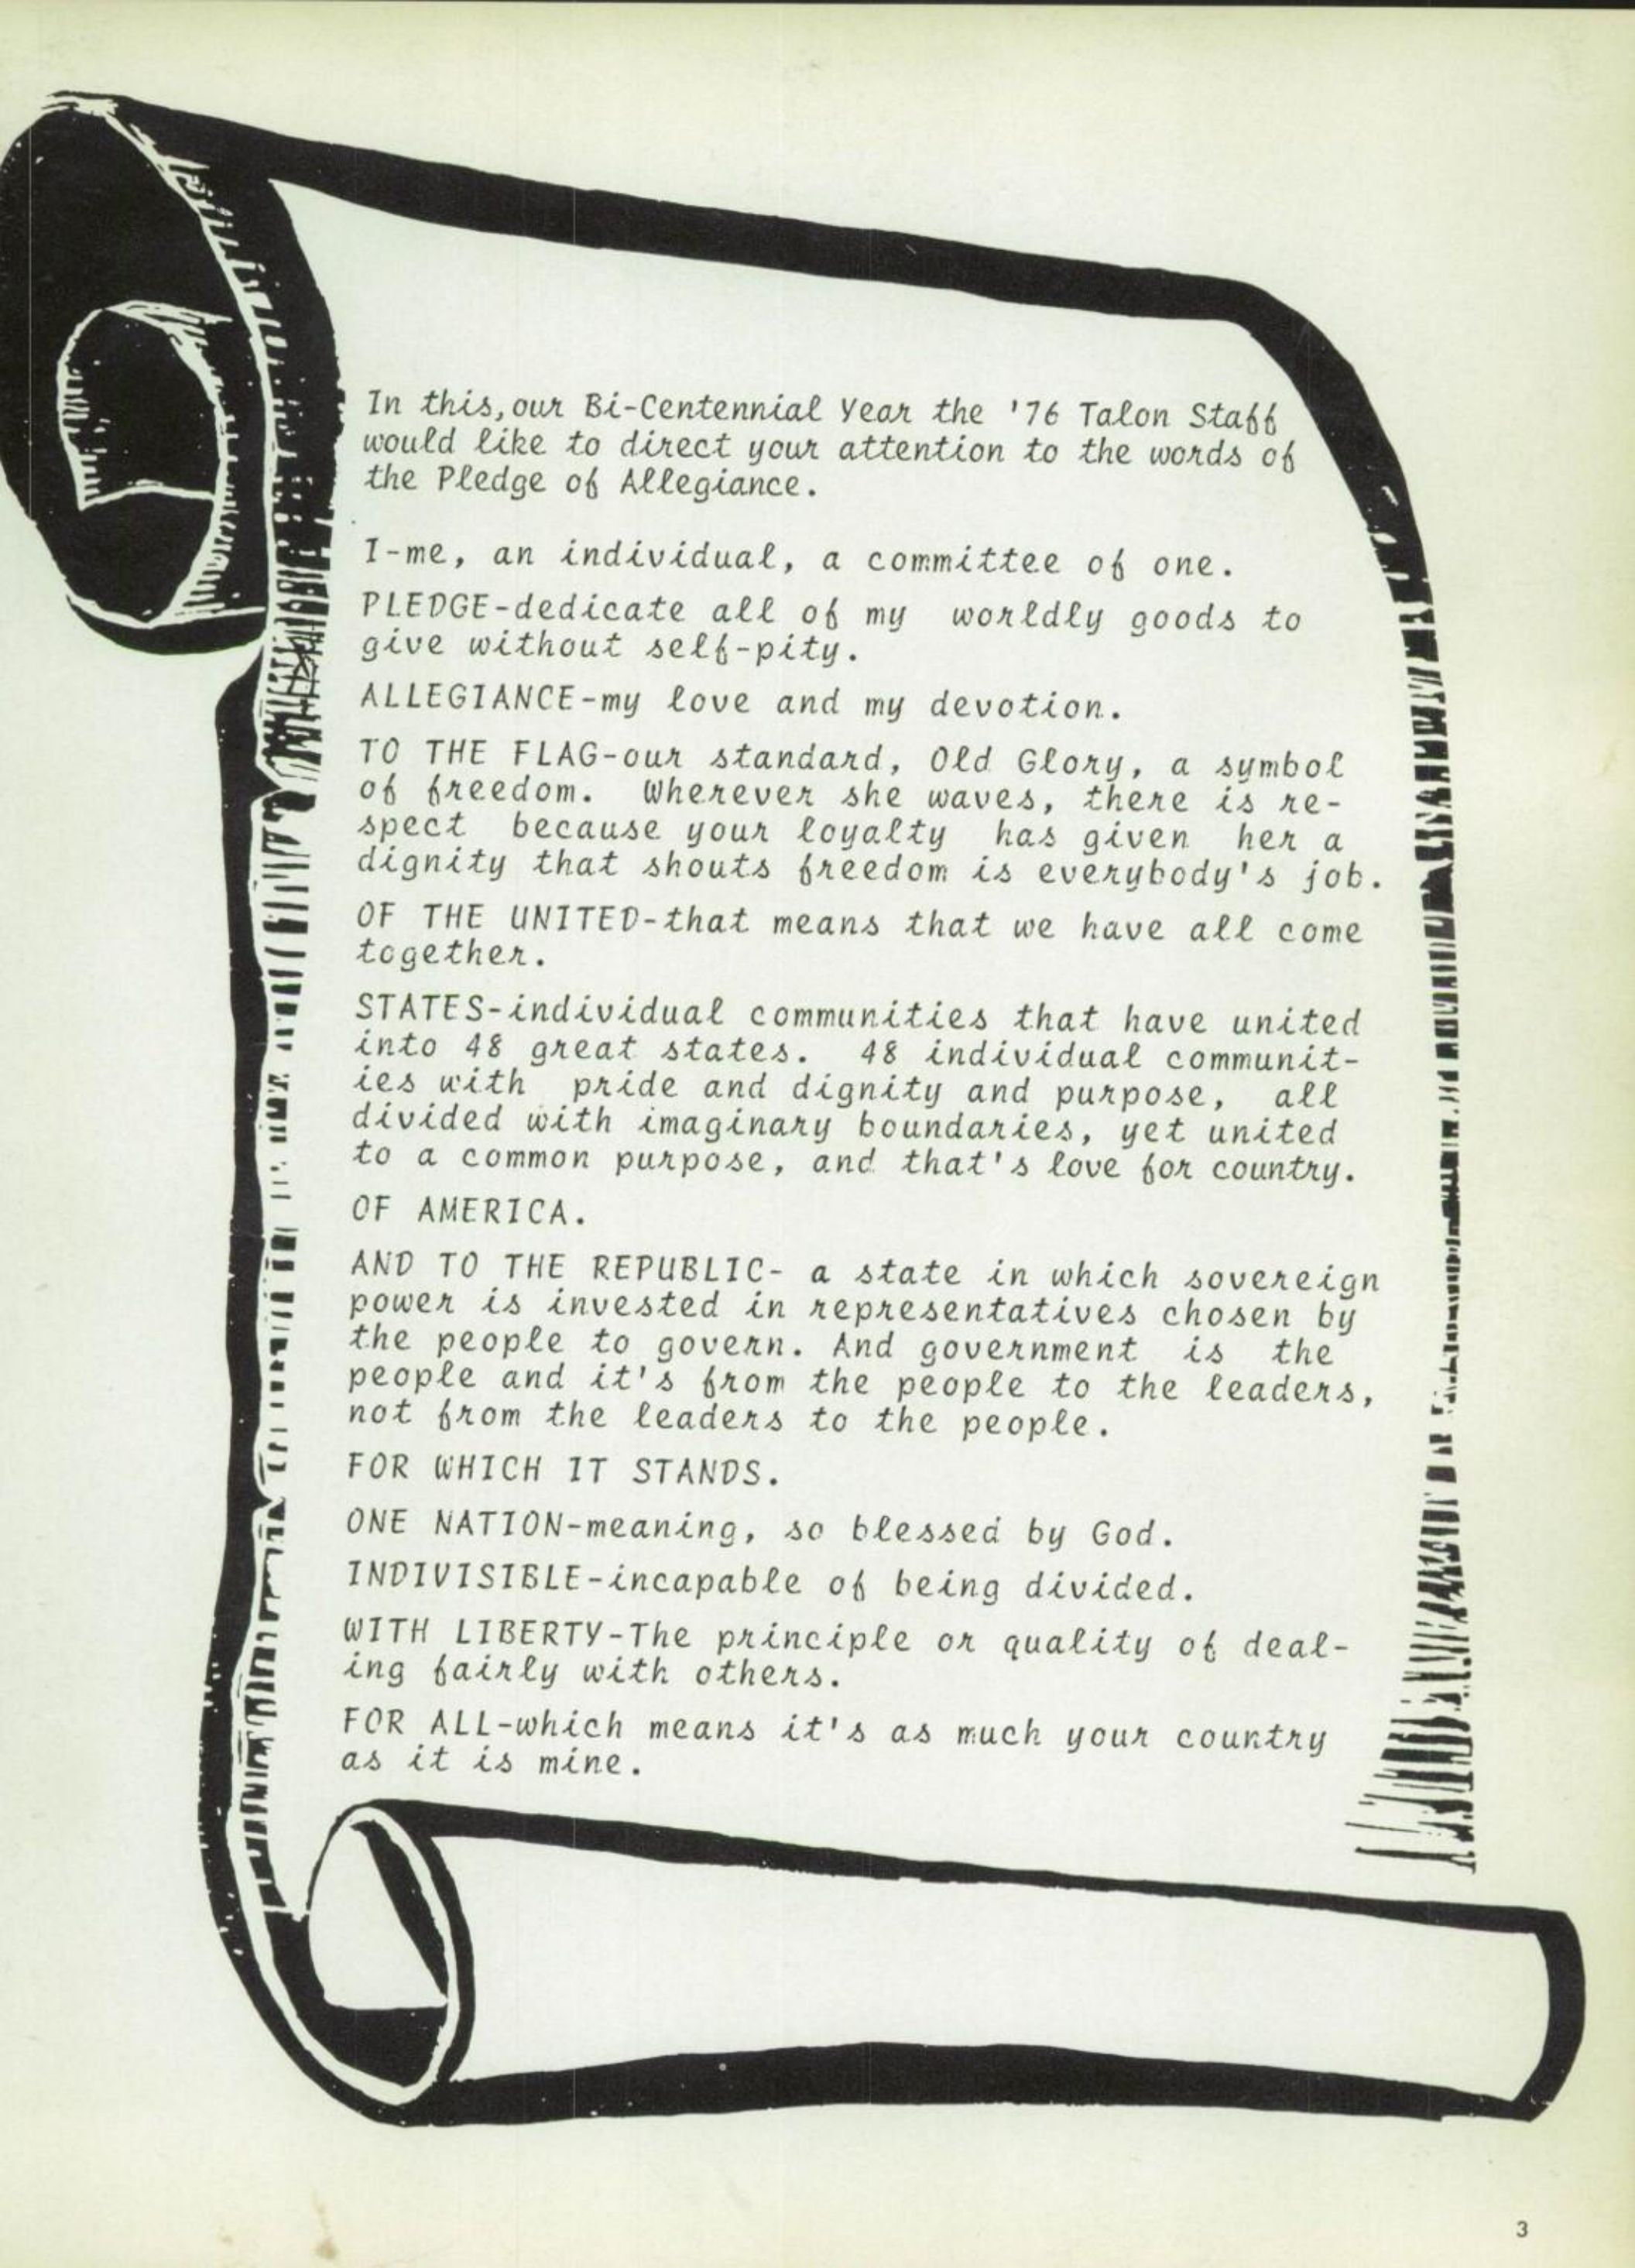

At Seagraves High School, we can claim all these and even more. We have positive goals, we have friendship, and we have pride. We have, indeed, "something to cheer about."

DEDICATION

A good attitude produces quality and excellence. Pride produces winners. Desire and loyalty to self and others produce champions.

The 1976 Talon is dedicated to Coach Jim Eddins, his staff, and the 1976 State Semi-finalist Eagle Football Team who proved that all these things do indeed make champions.

In this, our Bi-Centennial Year the '76 Talon Staff would like to direct your attention to the words of the Pledge of Allegiance.

I-me, an individual, a committee of one.

PLEDGE-dedicate all of my worldly goods to give without self-pity.

ALLEGIANCE-my love and my devotion.

TO THE FLAG-our standard, Old Glory, a symbol of freedom. Wherever she waves, there is respect because your loyalty has given her a dignity that shouts freedom is everybody's job.

OF THE UNITED-that means that we have all come together.

STATES-individual communities that have united into 48 great states. 48 individual communities with pride and dignity and purpose, all divided with imaginary boundaries, yet united to a common purpose, and that's love for country.

OF AMERICA.

AND TO THE REPUBLIC- a state in which sovereign power is invested in representatives chosen by the people to govern. And government is the people and it's from the people to the leaders, not from the leaders to the people.

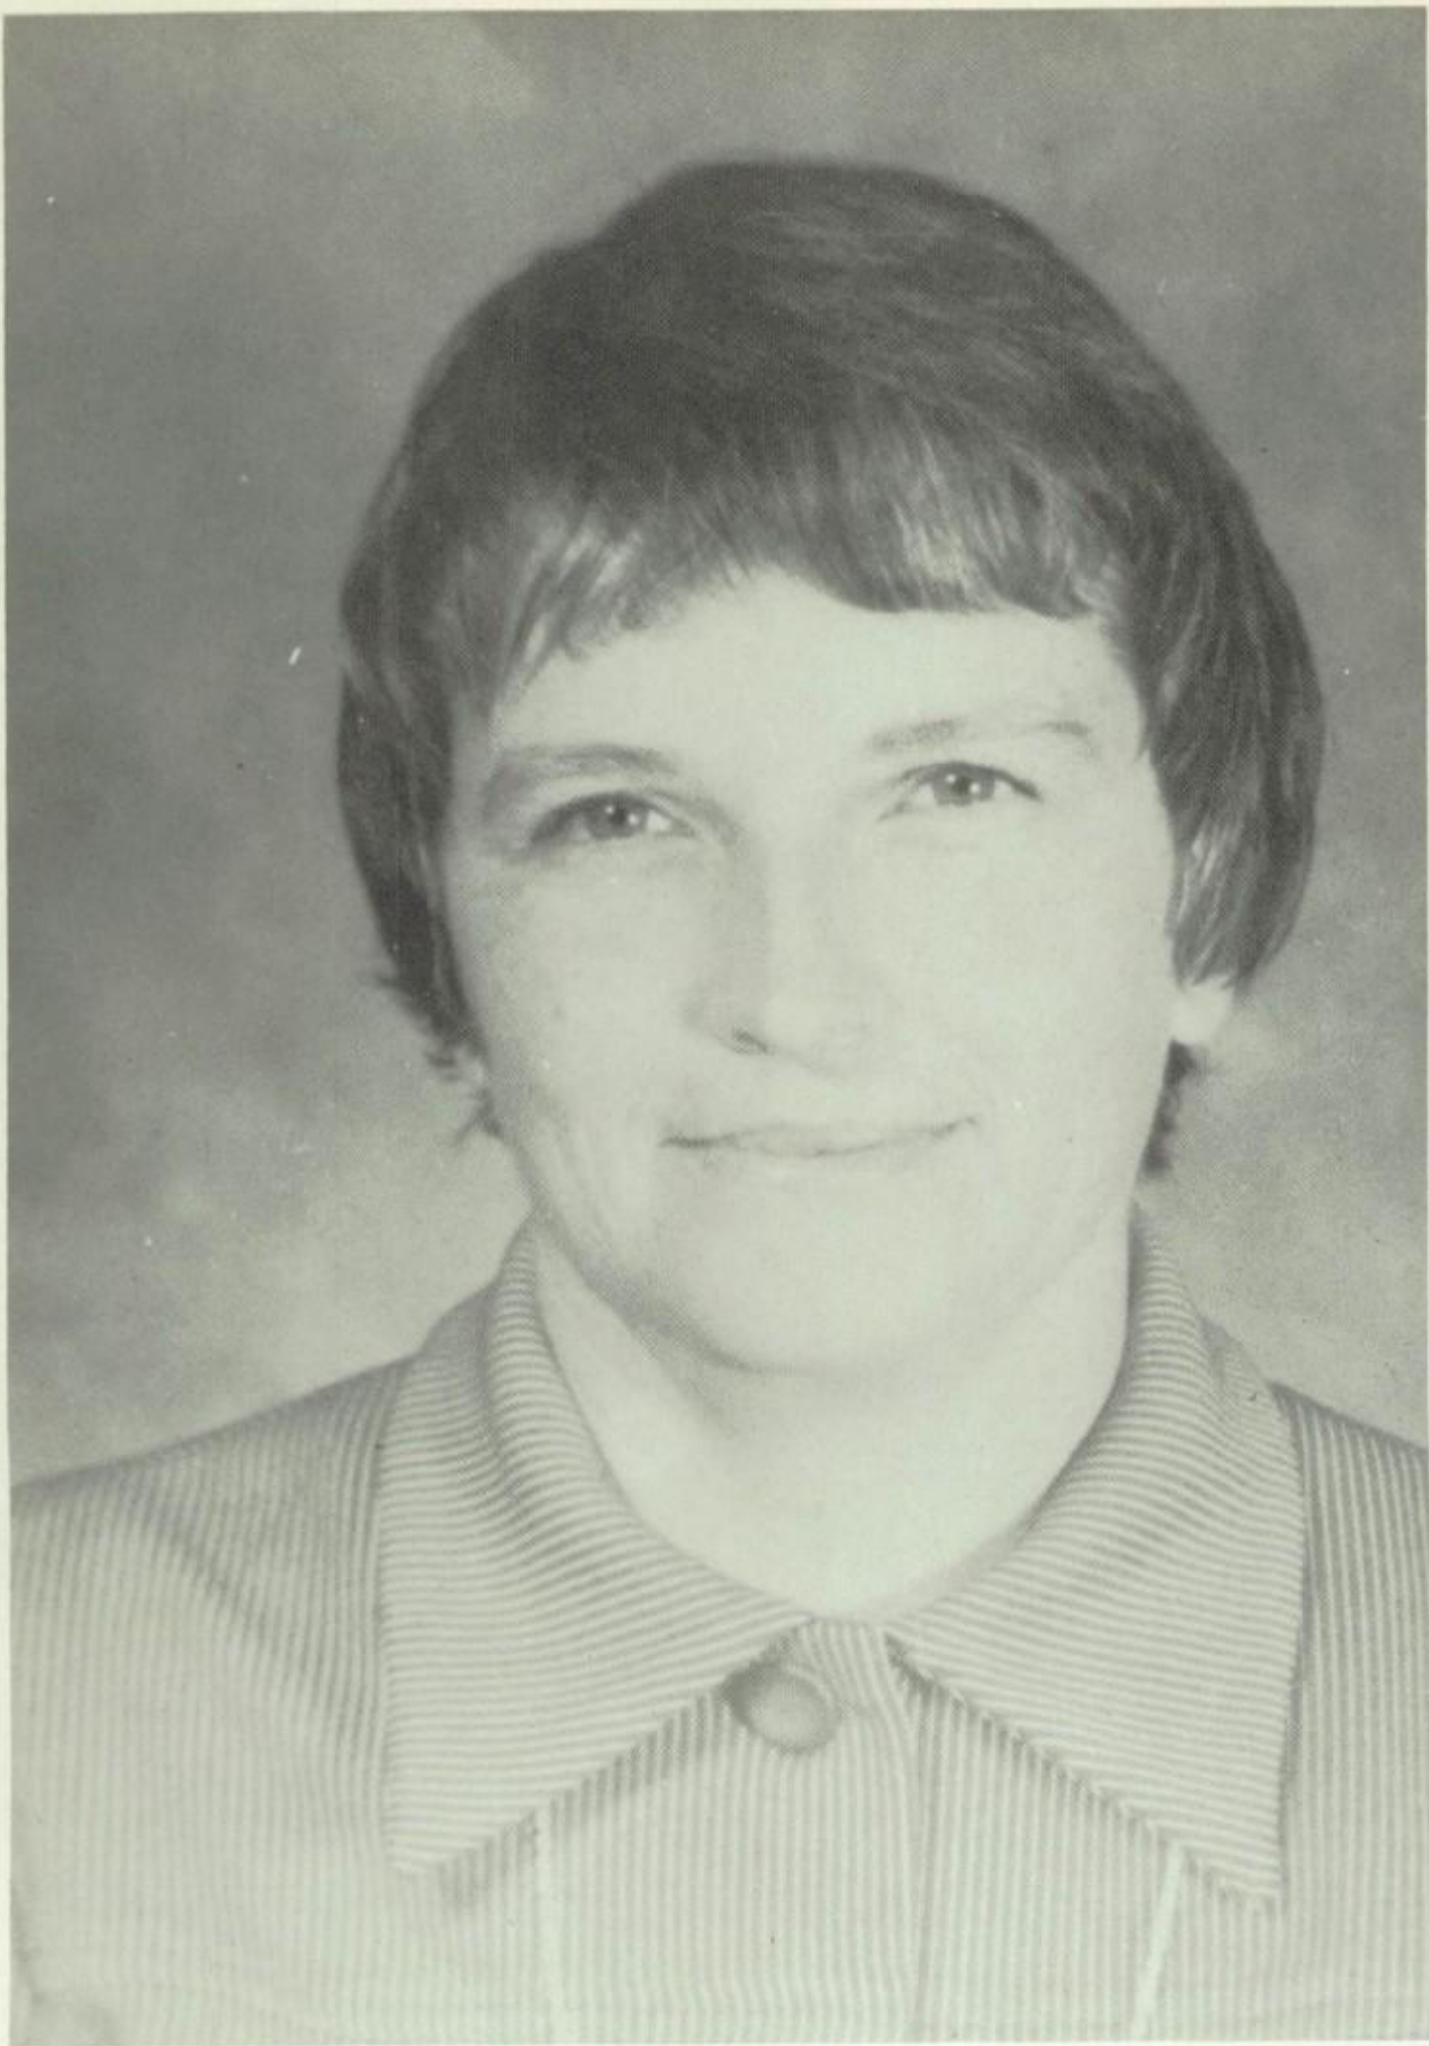

FOR WHICH IT STANDS.

ONE NATION-meaning, so blessed by God.

INDIVISIBLE-incapable of being divided.

WITH LIBERTY-The principle or quality of dealing fairly with others.

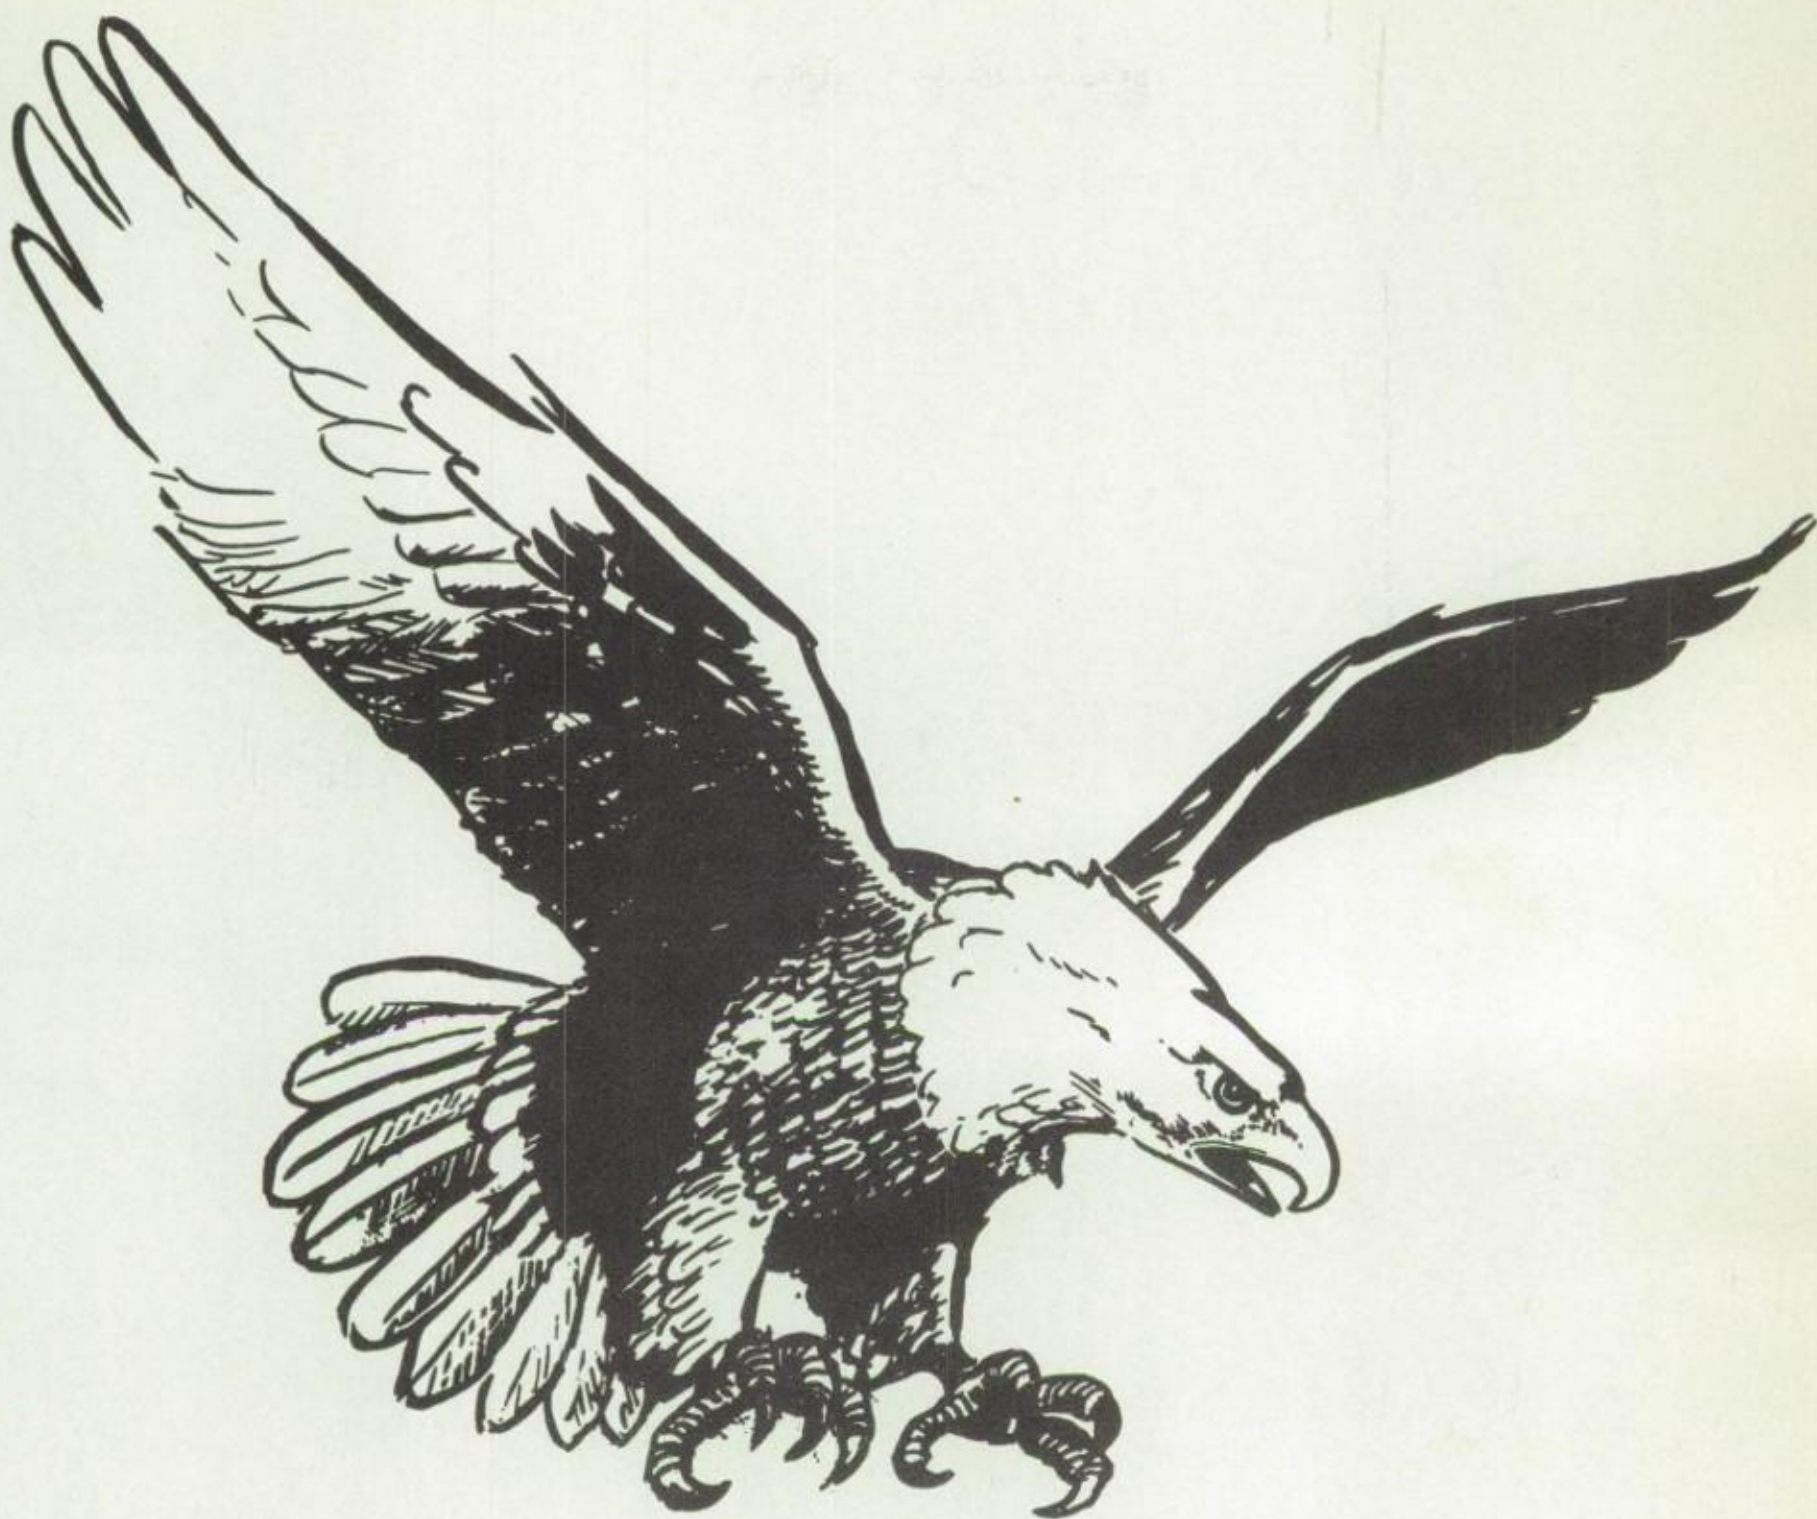

FOR ALL-which means it's as much your country as it is mine.

Of the teacher, Kahlil Gibran said: "If he is indeed wise, he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind."

Juanita Townsend was such a teacher, creatively leading young minds to explore and to expand their knowledge, sharing with them her enthusiasm for learning and for life.

Students and friends will take joy in remembering her faith, her capacity for love and friendship, and her quiet service to others.

Faculty Members

"Something to Cheer About," your theme for the Talon this year, is one of the most appropriate anyone could think of for your school.

Truly we have "Something to Cheer About" each day because of the distinct honor of attending school in a free country where we can study, work and play without fear from outside forces or inside forces.

We have "Something to Cheer About" in Seagraves because of the great pride, cooperation among the people in the community and a desire of all of us to get the job done whatever it might be.

There is "Something to Cheer About" this year because we are living during the Bi-Centennial year. We should be thankful that the people before us had wisdom enough to preserve our Democracy. May we do the same for posterity.

I have "Something to Cheer About" every day because of the splendid honor and the privilege of being associated with each of you. I hope the very, very best for you now and in the future.

Sincerely yours,

W. L. Willingham

Vondee Billings, by a cheerful smile and a bubbling personality you can truly describe Vondee. Her smile and laughter will linger in S.H.S. forever.

Who's Who

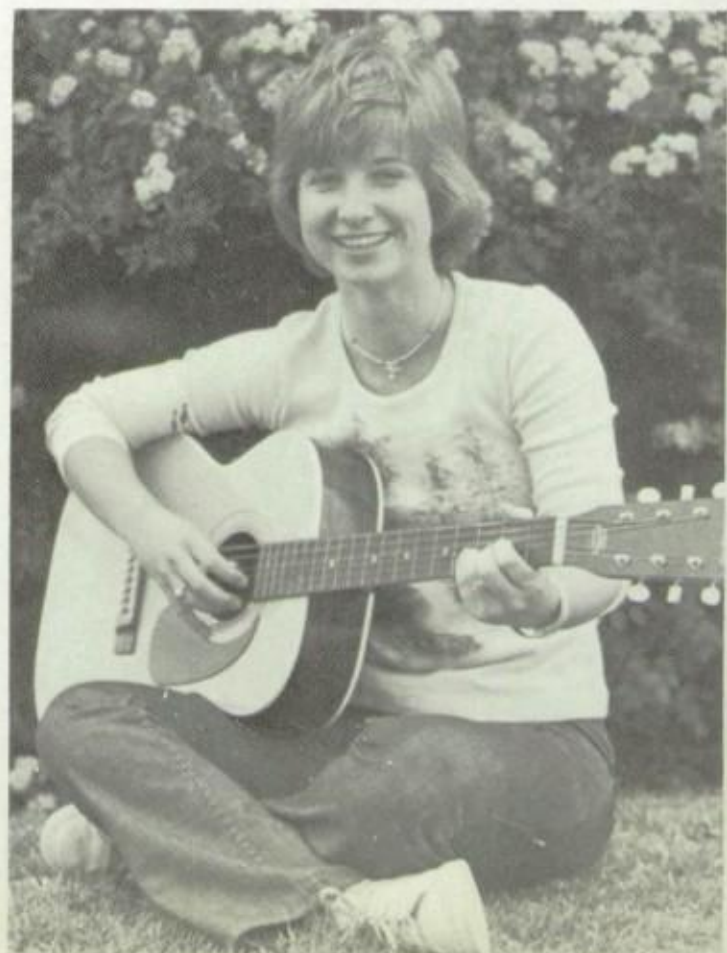

Danny Billings, an outstanding athlete and a fine leader are the two qualities which define Danny. By giving his best at all times and striving for higher goals he has become a leader and credit to S.H.S.

Bryan Hawkins, whether on the football field or basketball court, he has distinguished himself as a fine person. Bryan's spirit, leadership, and willingness to work, will make his future rewarding.

Denyce Baucum - Her friendly smile and warm personality makes her a favorite among friends. Her good sense of humor and easy going way of life has made Denyce an asset to S.H.S.

Cindy Mitchell is a very talented young lady. She has worked hard to develop her abilities. Cindy's dependability and enthusiasm make her a student of which S.H.S. can be proud.

In '76

Cam Givan always has a quick hello and a friendly smile which describes him perfectly. He is a friend to everyone and is always willing to lend a helping hand. His enthusiasm and happy attitude will long be remembered at S.H.S.

Jim Fleming is a very determined individual. He tries to achieve the best he can in everything he does. He has excelled scholastically in many events, such as the UIL competition. These traits and many more qualify Jim to be included in Who's Who.

Judy Burt is a student of honor, quick mind, and one for striving for the best, are some traits she possesses. Her musical ability and qualities of leadership make her an outstanding person.

Rebecca,

It has really been a pleasure knowing you these past years in high school. You are truly a wonderful person. I have never seen you when you don't have a smile and something good to say. Finding many people as kind as you are is hard to do! I wish you the best of luck in everything and may God be with you. I hope we still run into each other from time to time!

Love in Christ,
Vondra

Rebecca,

We've never really been very close, but I have enjoyed knowing you. You have a great personality & sweet smile. Stay the way you are and you'll go far. Good luck in all that you do. God Bless and keep you happy. Lots of luck.

Kelli Mills

Rebecca,
Thank you for the fun we have had together going through school. I am certain the Lord has something a purpose for you. Trust in the Lord with all your heart, do not rely on your own insights in all your ways, acknowledge Him and He will direct your paths -
Love in Christ,
Carm.

A red line drawing of a hand holding a pencil, positioned diagonally across the right side of the cover. The hand is open, with the index finger pointing towards the bottom right. The pencil is held between the thumb and index finger. The drawing is composed of numerous fine, overlapping lines, giving it a textured, sketchy appearance. The background is a dark, textured surface.
